We don't stray too far from these times so feel free to join at any of these places. If you need to call or text me I'm on 07866 429211. My telephone does not ring very loudly so if I don't answer I'll call you back soon. I can't say much about the food options in these places, particularly as it is a Friday night but there will be plenty of the usual outlets nearby.
