

Central London Fencing Club

Code of Conduct for Parents and Guardians

All parents/guardians SHOULD:

- Remember that many children take part for FUN only.
- Applaud effort and good play as well as success.
- Always respect the club managers, coaches, match officials and referees' decisions.
- Remain outside the field of play (piste) and within the designated spectator area.
- Let the coaches do their job; not confuse the fencers by telling them what to do.
- Encourage fencers to respect the opposition, referee, and match officials.
- Avoid criticising a fencer for making a mistake – mistakes are part of learning.
- Be aware that we expect all relationships at the club to be based on respect, honesty and openness.
- Recognise that the personal development of young fencers takes priority even over the development of their performance.
- Encourage young fencers to take responsibility for their own behaviour and performance.
- Have an ongoing commitment to their child(ren)'s training and work with others to ensure the safety and enjoyment of all fencers.
- Respect a young fencer's need for confidentiality.
- Strive to be positive role models, working within British Fencing guidance displaying high standards of personal behaviour.
- Promote good behaviour within the rules of Fencing.
- Behave in a polite and appropriate manner with other adults in the venue.
- Maintain good time-keeping, ensuring that that your child(ren) are dropped off and collected from training sessions in accordance with sessions times.

Parents and guardians SHOULD NEVER:

- Invite a child to their home or secluded place when they will be alone with a child.
- Share a bedroom with a child.
- Neglect their responsibility for any child under their care at any time.
- Bully a child either physically or verbally, nor reduce a child to tears as a form of control.
- Engage in rough, physical or sexually provocative games.
- Make sexually suggestive remarks to a young/vulnerable fencer – even in fun.
- Allow or engage in any form of inappropriate touching.
- Allow the use of inappropriate language to go unchallenged.
- Do things of a personal nature for a fencer that they can do for themselves unless specifically requested to do so and then with the utmost discretion.
- Vacate the venue and leave a child entirely on their own.
- Spend excessive amounts of time with individual fencers away from others.
- Allow allegations made by a child to go unchallenged, unrecorded or not acted upon.
- Embarrass, humiliate or undermine any individual or cause them to lose self esteem.
- Make remarks about another individual that are in any way offensive or in any way can be construed as such.
- Engage in, or tolerate, offensive, insulting, or abusive language or behaviour.
